Period from Tuesday 28 May to Tuesday 4 June 2002: the following three intergovernmental processes will be established:

Process A will be organized as informal plenary sessions that would enable the chair to elaborate a paper for the HLS outlining views on the contents and possible elements of a "**political document**". **This process will start on Monday, 3 June (AM)**

Initial inputs for discussion would include:

- outcomes of PrepComs 2 and 3;
- information provided by the Vice-Chairs from Egypt and Canada on various discussions/consultations relevant to the issue (e.g. views of countries/groups, proposals on "global deal", views of major groups, etc.);
- outcome of the Multi-Stakeholder Dialogue;
- input from the Secretary-General's Panel

Consideration of these inputs along with other inputs from delegations/groups would allow the Chairman to present a paper on possible elements for a political document to be submitted to the High-Level Segment for further discussion (see below).

Process B will deal with matters related to **sustainable development governance, and other outstanding matters related to the "implementation document"**.

The process on sustainable development governance **will start at 10.00 a.m. on Tuesday, 28 May** with an informal meeting, which would provide an opportunity to deepen the understanding of issues involved and proposals made in this context. This meeting will be followed by negotiations co-chaired by the Vice-Chairs from Sweden and Nigeria.

Schedule of any other meetings related to the "implementation document", if required, will be determined in light of the outcomes of pre-sessional consultations to be held on 25-26 May 2002.

All negotiations on the text of the "implementation document" need to be finalized by the end of Friday, 31 May 2002

Process C will deal specifically with **organization of work at the Summit**. Specific recommendations on this matter will be made by the Bureau in advance of PrepCom4. WSSD. Process C is not expected to be time consuming and its scheduling will depend on schedules of processes A and B.

In accordance with established practice only two intergovernmental meetings will be held simultaneously.

Wednesday 5 June - Friday 7 June 2002: High-Level Segment

Organization of work

The Segment will start with a presentation by the Chairman on the overall progress achieved in the work of the Preparatory Committee, including the results of the discussion on possible elements for a political document.

This will be followed by a series of Inter-active Ministerial Dialogues organized around (a) "implementation document" (b) "elements of a political document"; and (c) "implementation partnerships/initiatives". These dialogue sessions will be open for contributions from IGOs and major groups.

In accordance with established tradition two morning informal sessions will be organized on Wednesday and Thursday: The first with heads of international organizations; and second with leaders from major groups.

Outcome of the HLS

Elements for a "political document" to be transmitted by the Chairman for further consideration and negotiation during WSSD
Summary of the HLS.
