Workshop Agreements

Process Flow:

Process should begin with inputs of good info

Consider: time, cost, access to info, technology and management

Set realistic timeframe (e.g. election)

Workshop Agreements

Performance Parameters:

1. How to measure impact? Impact on what?
 2. Given such, what should we do? Include areas for improvement
 3. Process performance (e.g. cross-sectoral gains, relationships built)
- 

Workshop Agreements

Convergence Mechanisms:

1. Highlight joint activities among stakeholders
 2. Building on Principles of Unity
- 

Workshop Agreements

Effective Marketing and Enhancing Understanding of PA21 by Local Stakeholders:

- ❖ Bottom-up vs top-down approach.
 - ❖ Use indicators understood by local partners
 - ❖ Language understood by ordinary people
 - ❖ Ownership and stewardship “AKIN itong PA21”
-
